the theme of this book is that the muslims are embroiled in insanity because they do not obey the literal koran the muslims are far removed from their own koran this book will show that there is not one thing the muslim does everyday in the name of his religion which can be traced back to the koran the muslims have become raving mobs and gargantuan failures in life because they have abandoned the koran and in the process the muslims have also become rejectors in arabic

the word for rejector is kafir i e one who opposes the vast majority of muslims are actually outside the pale of islam

arabic self and identity uses autoethnography autobiography and a detailed study of names to investigate the links between conflict and displacement and between the self and group identity
