e nuove trasformazioni urbane sono dunque il risultato di questo lavoro composto da diversi livelli di approfondimento legati all'idea generale di Frattaminore come città in transizione. English: The design work carried out on the city of Frattaminore represented for the students in the last year of the master's program in architecture. It was an important experiment from a design and professional point of view towards the development of an approach aimed at finding an adequate and factual response to the multiple needs posed by the reality of the context in which it operates. The book collects the results of the work carried out during the 2020-2021 academic year, highlighting the multiplicity of aspects and design topics addressed as well as the variety of the proposed solutions. The structure of the book reflects this experimental approach, starting with the exploration of some preliminary topics and methods examined in the essays section, continuing through the tool of the mapping and the interaction with the environment and with the people who live the places, finally working on assembling and defining a synthesis of data and investigations through the design proposals described in the projects section. Each project theme includes a theoretical study through an introductory essay and several design variations to provide an alternative way possible scenarios for the city to try to solve the existing critical issues yet to enhance the potential and the various heritage of the city of Frattaminore. The project proposals were built grafting into the existing, not oriented towards the definition of a closed form and a predetermined function. On the contrary, it has implied to work on the idea of an open form which reuses what already exists, including multiple possibilities of use and continuously changing its perimeter, extending and incorporating urban pieces of different nature. Scenarios of new possible meanings and new urban transformations are therefore the result of this work, made up of different levels of study and research related to the general idea of Frattaminore as a city in transition.
