a remarkable eighty year adventure spanning the golden age of twentieth century mechanical and motor vehicle engineering born into an ecclesiastical family harry varley had a burning ambition to be the best engineer he could he was one of the three man team that designed the iconic 3 litre bentley and fifty seven years later he created a new engine for the same car a skilled draughtsman and designer he worked at multiple companies on cars aircraft and agricultural machinery he designed the badge which appears on every vauxhall a revolutionary internal combustion engine piston and was employed on projects at cubitt crossley and streamline cars on secondment in the second world war he helped develop the largest diesel engine made by perkins engines balloon winches and gun mountings finishing at rolls royce where he retired as chief planning engineer the design and manufacture of his varley engine took nine years of grit and determination having received reports that it had achieved its design objectives he died aged ninety three his life s work complete

as lotus s flagship model for almost three decades the esprit was launched in 1976 and remained in production for over a quarter of a century it received regular refreshment along the way principally to its original giorgetto giugiaro design and from 1987 to its later peter stevens incarnation both iterations enabled the esprit to maintain its position at the forefront of its market segment regularly compared to the best available from its german and italian rivals the esprit was equally at home on the race track as it was on the road a promising return to top line international gt racing saw the esprit compete on equal terms with the likes of ferrari and mclaren whilst back in the showrooms the car was selling for a fraction of their cost the legacy of the esprit can clearly be seen in current lotus models whose core design brief is that they should always be the finest handling vehicle with the deftest of steering feedback and feel with over 300 stunning images including professional photos factory archive pictures and specially commissioned artworks and featuring several interviews with lotus personnel intimately concerned with esprit production this volume is a fitting tribute to a masterpiece of design and technology
