a collection of essays put together by a wide range of pacific specialists on henry maude an administrator and field work in the pacific with important contributions in his later career as a practising academic

praise for the first edition tonga is unique among bibliographies in its perception and understanding and in its affection for tonga and its people daly s work stands on exceptionally sound foundations his summaries are excellent indeed but daly writes always with the authority of first hand knowledge with a keen eye for the essential and the ability to interpret and clarify obscurities a trustworthy introduction to tonga in all its diversity a splendid point de départ for all layman or scholar needing a reliable guide to the essential literature about this remarkable polynesian kingdom bulletin of the school of oriental and african studies the book is so arranged that it is easy to locate any of the items listed i found myself spending pleasant hours perusing daly s comments on the different publications i hope the rumor of a second revised edition of this bibliography is true journal of the polynesian society tonga is a fascinating and subtle combination of a traditional polynesian kingdom the only

one to survive the impact of colonization in the nineteenth century and remain independent and a thoroughly christian country this comprehensive bibliography is a selective guide to the most significant and accessible english language books papers and articles on every aspect of the kingdom s history culture arts politics environment and economy it is a much updated and expanded edition of the original version that was published in 1999 as part of the world bibliographical series with the addition of more than 200 new entries each of the approximately 600 described and annotated items is organized under broad subject headings and indexed by author title and subject in addition and new to this edition all known ph d theses although not annotated are shown within their appropriate subject categories and indexed also new is a section on the most important tonga related websites a general introduction describes the tongan kingdom its history and society and its current situation tonga a new bibliography will be an invaluable resource for anyone with a serious interest in tonga and an indispensable volume for academic libraries reference collections and policy makers focused on the pacific islands

western writers says thomas j lyon in his epilogue to updating the literary west have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth the editors of the literary history of the american west tcu press 1987 hoped that the first volume would begin not conclude their exploration of the west s literary heritage out of this hope comes updating the literary west a comprehensive reference anthology including essays by over one hundred scholars a selected bibliography is included with each piece in the ten years since publication of lhw western writing has developed a significantly larger presence in the national literary stream a variety of cultural viewpoints have developed along with new tactics for literary study new authors have risen to prominence and the range of subjects has changed and widened updating the literary west looks at topics ranging from western classics to cowboys and cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of lhw this volume again affirms the west s literary legitimacy status hard earned by the western literary association and the lasting place of popular western writing as part of the growing and changing literary and american experience an excellent reference for a wide range of readers and an invaluable resource for scholars and libraries selected list of contributors james maguire fred erisman susan j rosowski gerald haslam tom pilkington a carl bredahl richard slotkin john g cawelti robert f gish ann ronald mick mcallister

this book discusses the relationship between language and the mental organisation of knowledge and is based on the results of a fieldwork project carried out in the kingdom of tonga it challenges some existing assumptions and proposes a new foundational cultural model radiality to show how space time and social relationships are expressed both linguistically and cognitively

examining the multifaceted nature of christianity in fiji my god my land reveals the deeply complex and often paradoxical dynamics and tensions between processes of change and continuity as they unfold in representations and practices of christianity and tradition in people s everyday lives the book draws on extensive multi sited fieldwork in different denominations to explore how shared values and cultural belonging are employed to strengthen relations as such my god my land will be of

interest to anthropologists of oceania as well as scholars and students researching into social and cultural change ritual religion christianity enculturation and contextual theology

when queen salote of tonga attended the coronation of queen elizabeth ii in london in 1953 she was greeted as the tallest queen of the smallest kingdom and gained universal admiration for her natural dignity and the warmth of her personality this account of queen salote s life and times is more than a biography for it also describes the politics and social structure of a small kingdom that was a world in microcosm

medical practitioners and the ordinary citizen are becoming more aware that we need to understand cultural variation in medical belief and practice the more we know how health and disease are managed in different cultures the more we can recognize what is culture bound in our own medical belief and practice the encyclopedia of medical anthropology is unique because it is the first reference work to describe the cultural practices relevant to health in the world s cultures and to provide an overview of important topics in medical anthropology no other single reference work comes close to matching the depth and breadth of information on the varying cultural background of health and illness around the world more than 100 experts anthropologists and other social scientists have contributed their firsthand experience of medical cultures from around the world

compilation of essays on the effect of technological change and social change on the human geography and physical geography of pacific includes papers on the human settlement of the islands trade development labour force recruitment the impact of mining and commercial agriculture land tenure the indigenous peoples trade and plantations urbanization etc bibliographies at the end of each essay maps references and statistical tables

this is a collection of previously published essays on the mortality suffered by british convicts and free emigrants on the voyage to australia and by indian chinese african and pacific islander indentured labourers on their voyages to a variety of destinations across the world the success of various administrative measures in reducing mortality at sea during the 19th century is documented and shown to have a bearing on current debates on the explanation of the 19th century mortality decline in western societies

this biography of queen salote of tonga is also a political social history of the kingdom of tonga between 1900 1965 it looks at aspects of tongan society especially the role of rank status of the leading families the queen s skill in keeping the loyalty of her people

the citizens of the marshall islands have been told that climate change will doom their country and they have seen confirmatory omens in the land air and sea this book investigates how grassroots marshalllese society has interpreted and responded to this threat as intimated by local observation science communication and biblical exegesis with grounds to dismiss or ignore the threat marshall islanders have instead embraced it with reasons to forswear guilt and responsibility they have

instead adopted in group blame and having been instructed that resettlement is necessary they have vowed instead to retain the homeland these dominant local responses can be understood as arising from a pre existing vigorous constellation of marshallse ideas termed modernity the trickster a historically inspired narrative of self inflicted cultural decline and seduction by euro american modernity this study illuminates islander agency at the intersection of the local and the global and suggests a theory of risk perception based on ideological commitment to narratives of historical progress and decline

vols for 1892 1941 contain the transactions and proceedings of the society

this title assesses the current state of anthropological research in polynesia through a series of original essays on prehistory social organisation socialisation mana and tapu chieftainship art and early contact the essays taken together offer a broad understanding of polynesian societies

what does it mean to live in the west today do people tend to identify with states with regions or with the larger west this book examines the development of regional identity in the american west demonstrating that it is a regionally diverse entity made up of many different wests great plains southwest rocky mountains and more in which american regionalism finds its fullest expression these fourteen original essays tell how a sense of place emerged among residents of various regions and how a sense of those places was developed by people outside of them wrobel and steiner first offer a compelling overview of the west s regional nature then thirteen other rising or renowned scholars from history american studies geography and literature tell how regional consciousness formed among inhabitants of particular regions all of the essays address the larger issue of the centrality of place in determining social and cultural forms and individual and collective identities some focus on race and culture as the primary influences on regional consciousness while others emphasize environmental and economic factors or the influence of literature some even examine western regionalism in areas that lie beyond the west as it has traditionally been conceived each of the contributors believes that where a people live helps determine what they are and they write not only about the many wests within the larger west but also about the constant state of flux in which regionalism exists many books speak of the west as a place but few others deal with the west s different places many wests presents a vision of the west that reflects both the common heritage and unique character of each major subregion building on the revisionist impulse of the last decade to help redirect new western history toward an appreciation of regional diversity and integrate scholarship in the regional subfields it is a book for everyone who lives in studies or loves the west for it confirms that it is home to very different peoples economies histories and regions

includes entries for maps and atlases
